DE Pelle F | Lederklasse F

Ein vollnarbiges, ungeprägtes Dickleder mit hervorragender Weichheit, seidigem Griff und natürlicher Optik. Ein feines Finish, welches die Poren nicht verschliesst sorgt für den Schutz der Oberfläche. Sämtliche Naturmerkmale wie Vernarbungen und Strukturen bleiben erhalten.

<u>Zusammensetzung:</u>	Naturbelassenes Anilinleder
<u>Gewicht:</u>	770 g/m ²
<u>Lichtechtheit:</u>	3 (DIN EN ISO 105-B02)
<u>Reibechtheit:</u>	3
<u>Brandverhalten:</u>	DIN 75200

EN Pelle F | Leather class F

A full-grain, non-embossed thick leather with outstanding softness, a silky feel and a natural appearance. A fine finish where the pores are not closed helps to protect the surface. All natural features such as scars and textures are retained.

<u>Composition:</u>	Untreated aniline leather
<u>Weight:</u>	770 g/m ²
<u>Light fastness:</u>	3 (DIN EN ISO 105-B02)
<u>Fastness to rubbing:</u>	3
<u>Fire resistance:</u>	DIN 75200

FR Pelle F | Classe de cuir F

Cuir épais pleine fleur, non grainé, à l'extraordinaire douceur, au toucher soyeux et à l'aspect naturel. Une finition délicate qui n'obstrue pas les pores, garantissant la protection de la surface. Toutes les caractéristiques naturelles comme le grain et la texture sont conservées.

<u>Composition:</u>	Cuir aniline non traitée
<u>Poids:</u>	770 g/m ²
<u>Résistance à la lumière:</u>	3 (DIN EN ISO 105-B02)
<u>Résistance au frottement:</u>	3
<u>Normes de protection contre l'incendie:</u>	DIN 75200
